2-position lifting table

Handling of packaging cardboards

● **Mechanical engineering** ● **Realizations** ● **Cabling** ○ **Machines**

The lifting table is positioned at our customer's site upstream of a strapping machine.
It is used for the **handling of packaging cardboards**.

The lifting table is equipped **with handling rollers and a slewing ring**.

It is controlled with 2 mechanical levers:
Lever 1: Table top and bottom position
Lever 2: Upper and lower position of the slewing ring to be able to rotate a carton manually by 180°.

SPECIFICATIONS :

- **Length 1200mm**
- **Width 600mm**
- **Height from 600 to 800 mm**
- **Load capacity up to 80 kg**

Reference : 3308

Project added the 06/02/20
